ADVANCED SEARCH

Advanced Search allows the patrons to define more parameters for their search.

1. Click the **Advanced** button to the right of the search box.
2. Enter search terms then choose the desired search criteria and Boolean operators (And, Or, and Not) to limit the search.
3. The Refine Your Search toolbar can sort your results according to your preferences. Click **Reload** to view refined search results

Narrowing Your Search

Once you have search results, you can narrow the results further with the options on the left side of the page:

The screenshot shows a library search results page. On the left, there is a 'Refine Your Search' section with two main categories: 'Type of Material' and 'Subject'. Under 'Type of Material', there are checkboxes for various formats like Art Print, Audio Recording, DVD Master, DVD Single Copy, Kits, Multiple Copy Book, Video Master, and Video Single Copy. Under 'Subject', there are checkboxes for specific topics like Building Trade, Environmental, Poets, and Computer Science. A callout points to the 'Refine Your Search' header, stating 'Options for Refining your Search Results'. Another callout points to the checkboxes, stating 'To select more than one limiter, check the boxes you want to include, then click the refresh button'. A third callout points to the 'Type of Material' section, stating 'To refine to only one type of resource, click on the number'. The main search results area shows several items, including 'New York State Fun Facts I', 'New York State History Kit I', and 'Orphan of Ellis Island'. Each item has a 'Book Item' button on the right.

Booking Physical Items

Once you see the title you want in the results, click **Book Item** on the right side of the screen.
